Do you have an awesome on-campus job? Do you love what you do and want to share your experiences with other students? If you are currents or you are employed, your insights could help other students make informed decisions about their careers.

Top Interview Tips:

1. Do your homework. Research the company and the department the interviewee is interviewing with. Understanding the work environment and responsibilities can help you be a better interviewee.
2. Prepare answers to potential interview questions. Be ready to discuss your qualifications, experiences, and skills.
3. Dress appropriately. Dressing professionally can make a positive first impression and demonstrate your interest in the position.
5. Be confident. Believing in yourself and your abilities can help you perform well during the interview.
6. Follow up. After the interview, send a thank-you note or email to the interviewer to express your appreciation and reiterate your interest in the position.

We look to hire those individuals that have intangibles that cannot be taught: a great smile, a bright attitude, and enthusiasm to succeed. We will be interviewing for positions in Housing and Dining Services.
