

Is a Health Profession Right for Me?

Questions to consider before choosing a path

1. Why health?

WHAT kind of healthcare do I want to provide?

WHO do I want to provide this healthcare to?

HOW do I want to provide this healthcare?

WHERE do I want to provide this healthcare?

2. Do I have a strong scientific aptitude?

3. What lifestyle do I envision?

4. How long will it take?

5. Am I competitive enough?

6. Do I need additional training or education prior to applying?

7. What will my return on investment be? Debt accrual vs. salary
